

SAFETY DATA SHEET - AF-XF Media

Page 1 of 3
Revision: 11/5/2024

1. Identification

Product Name: AF-XF Media

Manufacturer/Supplier: RockRidge Abrasives
9000 Byron Commerce Dr. SW
Byron Center, MI 49315

Telephone/Fax Number: Phone: 716-759-6600
Fax: 716-759-6602

E-Mail: sales@rockridgeabrasives.com

Date of Revision: 11/5/2024

2. Hazard(s) Identification

No special remarkable hazards.

3. Composition / Information on Ingredients

Ceramic bonded inorganic abrasive material.

4. First-Aid Measures

No special measures necessary.

5. Fire-Fighting Measures

Suitable extinguishing media: Product itself does not burn. Co-ordinate fire-fighting measures with the fire surroundings.

Further Information: Combustion residues and contaminated fire-fighting water must be disposed off in accordance with local regulations.

6. Accidental Release Measures

Personal precautions: No special measures necessary.

Environmental precautions: No special measures necessary.

Methods for cleaning up: Pick up mechanically and supply to reutilization.

7. Handling and Storage

Protection against fire and explosion: Product itself does not burn. No special measures necessary.

Storage: Unlimited storage of the product is possible.

Handling: No special measures necessary.

8. Exposure Controls / Personal Protection

Additional information on plant design: See section 7; no additional measures necessary.

General protective and hygiene measures: Wash hands before breaks and after finishing work.

9. Physical and Chemical Properties

Physical state: Solid

Color: Various

Odor: Odorless

Flash Point: N/A	pH value: N/A
Density: 2,3- 3,6g/cm ³	Solubility in water: Insoluble

10. Stability and Reactivity

Hazardous reactions: No hazardous reactions if stored and handled as prescribed.

Decomposition reactions: No decomposition if product is processed as directed.

11. Toxicological Information

According to our actual knowledge and present information this product is not considered as harmful if it is handled appropriate and processed as directed.

The product does not require labeling according to the calculation procedure of the General EU Classification Guidelines for Preparations as issued in the latest version.

12. Ecological Information

No hazardous effects known.

Information on elimination: Abrasive grit which comes as result during processing can be separated from water mechanically in effluent treatment plants.
