### 9. Physical and Chemical Properties

---

**Physical state:** Solid

**Color:** Dark Pink

**Odor:** Odourless

Flash point: Not Available	Solubility in water: insoluble
Density (20°C): 1,5 - 1,9 g/cm <sup>3</sup>	pH value: Not Available

### 10. Stability and Reactivity

---

**Hazardous reactions:** None provided product if correctly processed.

### 11. Toxicological Information

---

According to our actual knowledge and present information this product is not considered harmful.

### 12. Ecological Information

---

Plastic Chips can be separated mechanically in sewage plants after breakdown.

### 13. Disposal Considerations

---

**Product:** Must be disposed of in accordance with local regulations.

**Contaminated packages:** Uncontaminated packs can be re-used. Packs that cannot be cleaned should be disposed of in the same manner as the contents.

### 14. Transport Information

---

Not classified as hazardous under transport regulations.

### 15. Regulatory Information

---

Non-Hazardous

### 16. Other Information

---
