

SAFETY DATA SHEET - HFF-1200

Page 1 of 5
Revision: 12/11/2024

1. Identification

Product Name: HFF-1200 Burnishing Compound
Manufacturer/Supplier: RockRidge Abrasives
9000 Byron Commerce Dr. SW
Byron Center, MI 49315
Telephone/Fax Number: Phone: 716-759-6600
Fax: 716-759-6602
E-Mail: sales@rockridgeabrasives.com
Date of Revision: 12/11/2024

2. Hazard(s) Identification

EMERGENCY OVERVIEW:

FORM: Liquid
COLOR: Green
ODOR: Mild Odor

WARNING STATEMENT: Prolonged or repeated contact may be drying and cause irritation to skin. Will cause irritation to eyes if contacted. Harmful if swallowed.

POTENTIAL HEALTH EFFECTS:

Likely routes of exposure: Eye and skin contact.

SYMPTOMS OF OVEREXPOSURE:

Acute: Prolonged or repeated contact may be drying and cause redness or irritation to skin. Will cause irritation to eyes if contacted. Harmful if swallowed.

Chronic: None currently known.

MEDICAL CONDITIONS AGGRAVATED BY EXPOSURE: None currently known.

OTHER HEALTH EFFECTS: This product does not contain any substances that are considered by OSHA, NTP, IARC, or ACGIH to be "probable" or "suspected" carcinogens.

3. Composition / Information on Ingredients

Component	Cas	%Wt.
Coconut Oil Amide	68603-42-09	15-25
Water	7732-18-5	70-85
Ethylenediaminetetracetic Acid	64-02-8	1-3

If Chemical Name/CAS No is "proprietary" and/or Weight-% is listed as a range, the specific chemical identity and/or percentage of composition has been withheld as a trade secret.

SAFETY DATA SHEET - HFF-1200

Revision: 12/11/2024

4. First-Aid Measures

EYE CONTACT: OBJECT IS TO FLUSH MATERIAL OUT OF EYES IMMEDIATELY, THEN SEEK MEDICAL ATTENTION. Immediately flush eyes with large amounts of water for at least 15 minutes, intermittently holding eye lids apart to ensure rinsing of entire surface of eye and lids. Contact Physician Immediately!

SKIN CONTACT: Flush thoroughly with plenty of warm water, promptly removing contaminated clothing and shoes. Launder contaminated clothing before reuse. Decontaminate or destroy contaminated shoes. Consult Physician if irritation develops or persists.

INHALATION: Move from contaminated area to fresh air.

INGESTION: DO NOT INDUCE VOMITING! Give victim a quart of water. If vomiting occurs, give fluids again. Never give anything by mouth to a person who is unconscious or having convulsions. Seek Medical Attention!

5. Fire-Fighting Measures

FLASH POINT: n.a. Noncombustible. Aqueous based cleaner.

FLAMMABLE LIMITS IN AIR: n.a.

EXTINGUISHING MEDIA: Use media appropriate of surrounding fire.

SPECIAL FIRE FIGHTING PROCEDURES: Self contained breathing apparatus and appropriate protective clothing to prevent contact should be worn when fighting fires involving chemicals. Dike area to prevent runoff and contamination of water sources.

UNUSUAL FIRE AND EXPLOSION HAZARDS: None.

HAZARDOUS COMBUSTION PRODUCTS: Carbon dioxide, Carbon monoxide, Oxides of Nitrogen.

6. Accidental Release Measures

Personal precautions: Use personal protection recommended in section 8.

May cause slippery footing. Persons involved in clean-up must wear appropriate protective equipment. Keep unauthorized persons out of area. Mop or absorb small spills. If large amount is spilled, Dike and pump liquid into approved containers or holding tanks.

If spilled on the ground, contaminated soil should be removed and placed in proper containers for reclamation or disposal. Do not flush material to public sewer or waterway. Decontaminate all tools and equipment following cleanup.

7. Handling and Storage

HYGIENIC PRACTICES IN HANDLING AND STORAGE: Educate and train employees in the safe use and handling of this product. Avoid prolonged contact with skin, eyes and clothing! Wear appropriate protective clothing to prevent contact with this product. (See section 8). Do not wear contact lenses when handling chemicals as they may increase the severity of injury if product comes in contact with eyes. Never touch eyes or face with hands or gloves that may be contaminated with this product. Clothing, shoes or other protective gear that is contaminated or soaked with this material or its solutions should always be promptly removed and not used until laundered or decontaminated. Do not take internally. Wash thoroughly after handling. Wear appropriate protective clothing. Always have water available for First Aid. Store in properly labeled closed containers in cool dry place. Isolate from incompatible substances. Freeze sensitive. Product may not remain homogeneous after thawing if frozen. Always make sure closures are securely tightened before moving container. For industrial use only. Keep product and its containers out of reach of children. When handling empty containers, all labeled precautions must be observed due to product residues. Do Not reuse containers until they have been professionally cleaned, reconditioned, and old labeling has been removed. Do Not reuse for food or drink.

SPECIAL PRECAUTIONS FOR REPAIR AND MAINTENANCE OF CONTAMINATED EQUIPMENT: Remove all traces of product and its residue before working on equipment. Maintenance personnel should wear protective equipment and clothing so as to prevent personal contact and should be informed regarding necessary precautions applicable to this product.

8. Exposure Controls / Personal Protection

Personal protective equipment selections vary based on potential exposure conditions such as handling practices, concentration and ventilation. Use protective clothing which is chemical resistant to this material. Selection of protective clothing depends on potential exposure conditions and may include gloves, boots, suits and other items. The selection should take into account such factors as job task, type of exposure, solution concentration, and durability requirements. Information on the selection of eye, skin, and respiratory protection for use with this material is provided below. Consult your personal protection equipment provider for advice on equipment and clothing that is most suitable for your work environment.

VENTILATION REQUIREMENTS: Well ventilated area is adequate under normal conditions.

RESPIRATORY PROTECTION: None normally required.

PROTECTIVE GLOVES: Chemical resistant gloves made of Nitrile, neoprene, or rubber.

EYE PROTECTION: Close fitting chemical safety goggles.

OTHER PROTECTIVE EQUIPMENT: Rubber apron, as conditions dictate in order to prevent personal contact with this product and its solutions. Eye wash fountain and safety shower should be in immediate work area.

9. Physical and Chemical Properties

PHYSICAL STATE: Liquid

APPEARANCE: Transparent, Semi-Viscous, Green

ODOR: Mild

SOLUBILITY/WATER: 100%

PH: 9.4

BOILING POINT: >212 F. (100 C)

VAPOR PRESSURE: as water

VAPOR DENSITY: as water

VOLATILES BY WEIGHT: 0%

SPECIFIC GRAVITY: 1.038

SAFETY DATA SHEET - HFF-1200

Revision: 12/11/2024

10. Stability and Reactivity

STABILITY: Stable.

CONDITIONS TO AVOID: Contact with strong oxidizing agents.

INCOMPATIBILITY- MATERIALS TO AVOID: Strong oxidizing agents.

HAZARDOUS POLYMERIZATION: Will not occur

11. Toxicological Information

See Section 2.Composition/Information on Ingredients for information on individual ingredients.

12. Ecological Information

ECOLOGICAL TOXICITY: Not determined.

ENVIRONMENTAL FATE: All components of this product are considered biodegradable.

At low concentrations in water when pH is adjusted to neutrality, this product is biodegradable in a biological waste water treatment plant. (See Disposal Instructions:)

13. Disposal Considerations

DISPOSAL INSTRUCTIONS: Treatment, storage, transportation, and disposal must be in accordance with applicable Federal, State/Provincial, and Local regulations. Processing, use or contamination of this product may change the waste management options. Regulations may vary in different locations. Characterization and compliance with applicable laws are the responsibility solely of the generator.

DISPOSAL CONSIDERATIONS: At low concentrations in water, this product is biodegradable in a biological waste water treatment plant. (See Disposal Instructions:)

14. Transport Information

CHEMICAL FAMILY: Liquid Soap

DOT SHIPPING NAME: Liquid Soap, n.o.s.

DOT HAZARD CLASSIFICATION: None

DOT PACKAGING GROUP: None

CHEMICAL FORMULA: n.a. proprietary mixture

DOT HAZARDOUS SUBSTANCE? No

USA RQ: None.

UN NUMBER: None

CAS REGISTRY #: n.a. proprietary mixture

SAFETY DATA SHEET - HFF-1200

Revision: 12/11/2024

15. Regulatory Information

All product components are listed on the EPA/TSCA Inventory of Chemical Substances. This product is biodegradable.

SARA TITLE III

- A) 311/312 Categories: Immediate (Acute) Health
- B) 313- Components listed in Section 313: None.
- C) None of this products components are listed in Section 302 and 304.

None of the ingredients of this product are contained on SARA's Extremely Hazardous Substances List Section 301- 303.

CERCLA: No components listed.

RCRA: None of the ingredients are currently listed as a substance or a source waste under current RCRA regulations (40 CFR 261.31, 32 and 33).

16. Other Information

PRODUCT USE: For industrial use only. Specifically formulated to be diluted in aqueous solutions (approximately 1-3%) for use in mass finishing processes for both ferrous and non ferrous metals.

	<u>Health</u>	<u>Fire</u>	<u>Reactivity</u>
Suggested NFPA Rating	1	0	0
Suggested HMIS Rating	1	0	0

Note: Hazard ratings involve data and interpretations that may vary from company to company. They are intended only for rapid, general identification of the magnitude of the specific hazard. To deal adequately with the safe handling of this material, all information contained in this MSDS must be considered.

Legend:

CAS# = Chemical Abstract Registry Number; TLV = Threshold Limit Value; TWA = Time Weight Average; PEL = Permissible Exposure Limit; ACGIH = American Conference of Governmental Industrial Hygienists; OSHA = Occupation Safety and Health Administration; LD50 = Lethal Dose 50%; LC50 = Lethal Concentration 50%; n.e. = not established; n.a. = not applicable.

MANUFACTURER DISCLAIMER

While RockRidge Abrasives believes the data set forth herein is accurate as of this date, RockRidge Abrasives makes no warranty of any kind, express or implied, with respect thereto and expressly disclaims all liability for reliance thereon. Such data is offered solely for consideration, investigation and verification. We accept no responsibility and disclaim all liability for any harmful effects which may be caused by purchase, resale, use or exposure to this product. Customers-users of this product must comply with all applicable health and safety laws, regulations, and orders including the OSHA Hazardous Communication Standard.
